English: Good

## PORTFOLIO

Portfolio Website |

## ABOUT ME

I am a dedicated and passionate web developer with a strong foundation in frontend and backend technologies. Over the course of three years of self-learning experience, I have acquired expertise in HTML, CSS, JavaScript, Python, and frameworks such as React.js and Django. My focus is on creating visually appealing websites with seamless user experiences, always keeping user-centric design principles at the forefront of my work.

## SKILLS AND EXPERTISE

- Proficient in HTML, CSS, Bootstrap, JavaScript, React.js, React Router, and Redux.
- Expert in building user-friendly and interactive web applications.
- In-depth knowledge of responsive design and cross-browser compatibility.
- Experienced in server-side programming with Python, Django, and DRF.
- Knowledge of MySQL for efficient database management.
- Familiarity with modern web development tools and workflows.
- Strong problem-solving skills and attention to detail.

## EDUCATION

BSc in CSE | Southeast University

- May 2016 – June 2023
- CGPA: 2.82

Dhaka, Bangladesh

HSC | Sirajganj Police Lines School and College

- Passing Year – 2014
- GPA: 3.90

Sirajganj, Bangladesh

## PERSONAL TRAITS

- Detail-oriented with a focus on delivering high-quality results.
- Adaptable and quick learner, able to grasp new technologies and concepts efficiently.
- Excellent problem-solving abilities to identify and resolve technical issues.

## PASSION AND MOTIVATION

Web development is my true passion, and I am driven to excel in this field. I find immense satisfaction in creating innovative and user-friendly websites that make a positive impact. My motivation stems from the endless opportunities to learn and grow in this dynamic industry.

## CAREER GOALS

I am seeking a challenging role as a web developer within a dynamic organization where I can leverage my skills and contribute to meaningful projects. I aspire to continuously enhance my expertise, stay abreast of industry trends, and collaborate with talented professionals to create exceptional web experiences.
